EDUCATION

Pukyong National University
M.S in Intelligent Robot Engineering
Advisor: Prof. Seung-Wook Kim

Busan, Republic of Korea
Mar. 2026 – Present

Pukyong National University
B.S in Electronic Engineering
Total GPA of 4.11/4.5, Major GPA of 4.19/4.5

Busan, Republic of Korea
Mar. 2020 – Feb. 2025

RESEARCH EXPERIENCE

Electronics and Telecommunications Research Institute (ETRI)
Research Intern

Daejeon, Republic of Korea
Jan. 2024 – Feb. 2024

- Developed an object detection system for distinguishing infants from adults.

Vision Laboratory
Graduate Researcher

Busan, Republic of Korea
Mar. 2026 – Present

- Conducting research on *federated learning*, *efficient AI*, and *low-level vision*, particularly image restoration.
- Developed methods for *heterogeneous multi-camera image restoration*, including stereo-guided deblurring and efficient cross-view fusion.
